Tan Fabric

Cut 30 strips 1.5" x wof

Subcut into the following sizes (4) 1.5" x 5.5", (4) 1.5" x 4.5"

Assembly:

Begin by sewing a 1.5" x 8" cream strip to the top and bottom of the print fabric. Press to the print fabric. Repeat for all 30 print fabrics.

Sew a 1.5" x 10" cream strip to the left and right of the print fabric. Press to the print fabric.

Repeat for all 30 blocks.

Sew a beige 1.5" x 4.5" strip to the left and right of a cream 1.5" x 2" strip. Press to the beige. Make 60.

Sew a beige/cream strip to the top & bottom of each print block.

Sew a beige 1.5" x 5.5" strip to the left and right of a cream 1.5" x 2" strip. Press to the beige. Make 60.

Repeat for all 30 blocks.

Sew these beige/cream strip sets to the left and right of each print block. These blocks should measure 12" square.

Now we can begin the quilt top assembly.

Sew (4) 1.5" x 12" sashing strips five blocks to make a strip set as above. Repeat to make a total of 6 strip sets.

Sew the horizontal sashing strips 1.5" x 62" between each of the 5 block strip sets. Also sew one to the top and bottom of the quilt. Finish the quilt by sewing the long vertical sashing strips 1.5" x 76.5" to the Left and Right of the quilt.

Prepare the quilt for quilting, quilt, and bind. And you are finished!

Additional notes: I chose a soft fleece for my backing and did not use batting--this gives a wonderful lightweight super soft quilt. My quilt is machine quilted using horizontal and vertical lines.
