

## Spring Brook Blossoms Block 5 Goldenrod Block

Each month, you will be constructing two blocks using the same pattern. Choose different fabrics for the flower top portion of the block.

## Fabric Requirements

Block 1

| $\square$Background <br> $9900-200$ | (2) squares, $3^{\prime \prime} \times 3^{\prime \prime}$ | A |
| :---: | :---: | :---: |
|  | (2) squares, $31 / 2^{\prime \prime} \times 31 / 2^{\prime \prime}$ | B |
|  | (5) squares, $2^{1 / 2 \prime} \times 21 / 2^{\prime \prime}$ | C |
|  | (16) squares, $11 / 2^{\prime \prime} \times 1 \frac{1}{2 \prime \prime}$ | D |
|  | (4) squares, $2^{1 / 2}{ }^{\prime \prime} \times 21 / 2^{\prime \prime}$ | E |
|  | (4) rectangles, $31 / 4 \prime \times 5^{\prime \prime}$ | F |
| $\pm{ }^{29114-24}$ | (8) rectangles, $21 / 2^{\prime \prime} \times 31 / 2^{\prime \prime}$ | G |
| 29116-13 | (2) squares, $3^{\prime \prime} \times 3^{\prime \prime}$ | H |
|  | (2) squares, $3^{1 / 21} \times 3{ }^{1 / 21}$ |  |
| $x^{29116-17}$ | (2) squares, $5^{\prime \prime} \times 5^{\prime \prime}$ | J |
|  | (1) rectangle, $11 / 2^{\prime \prime} \times 101 / 2^{\prime \prime}$ | K |

## Block 2

## Piecing Instructions

Gather the pieces needed to complete Block 1.

1. Mark a diagonal line across the back of a background (A) square. Layer an (A) square right sides together with a print (H) square and sew $1 / 4$ " away from each side of the marked line. Cut the units apart on the drawn line. Press toward the print fabric. You will have two half square triangles. Trim each half square triangle to $21 / 2^{\prime \prime} \times 21 / 2^{\prime \prime}$ square. Repeat to make 4 half square triangles.

Make 4 half square triangles. Each should measure $21 / 2^{\prime \prime} \times 21 / 2^{\prime \prime}$ square.
2. Mark a diagonal line across the back of a background (B) square. Layer a (B) square right sides together with a print (I) square and sew $1 / 4^{\prime \prime}$ away from each side of the marked line. Cut the units apart on the drawn line. Press toward the print fabric. You will have two half square triangles. Do not worry about trimming these up just yet.

Make 2 half square triangles. Do not trim them.
3. Mark a diagonal line on the back of one of the half square triangles, perpendicular to the seam. Nesting the seams, layer the two half square triangles together and sew $1 / 4$ " away from both sides of the marked line. Cut the units apart on the drawn line. Press to the side. You will have two quarter square triangles.

4. Trim the quarter square triangles to $21 / 2^{\prime \prime}$ square. The center point of each quarter square triangle will be at $11 / 4^{\prime \prime}$.

Repeat steps $2 \& 3$ to make a total of 4 quarter square triangles.
5. Sew together the 4 half square triangles, the 4 quarter square triangles, and 1 background (C) square. Press as illustrated. The block center will measure $61 / 2^{\prime \prime} \times 61 / 2^{\prime \prime}$.

The block center will measure $61 / 2^{\prime \prime} \times 61 / 2^{\prime \prime}$.
6. Draw a diagonal line across the back of one background (D) square. Place (D) right sides together, on one top corner of a print (G) rectangle. Orient the diagonal as illustrated. Sew on the marked line. Press away from the center. Make sure all raw edges align. Trim out the bottom two layers leaving a $1 / 4^{\prime \prime}$ seam allowance. Press seam open. This unit will measure $2 \frac{1}{2} 2^{\prime \prime} \times 31_{2}^{\prime \prime}$.

7. Repeat step 6 on the lower corner as illustrated orienting the marked diagonal as shown.

The petal unit will measure $2^{1 / 2 \prime} \times 3{ }^{112} 2^{\prime \prime}$.
8. Repeat steps 6 \& 7 to make a total of (8) petal units.
9. Sew the petal units into 4 pairs. Each petal pair will measure $2 \frac{1}{2} 2^{\prime \prime} \times 61 / 2^{\prime \prime}$. Press seams open.

Make a total of 4 petal pairs.
10. Sew a petal pair to the sides of the block center. Press the seams toward the center. This unit will measure $61 / 2^{\prime \prime} \times 101 / 2$.

11. Sew background $(\mathbf{C})$ squares to the sides of the two remaining petal pairs. Press seams away from the center. This unit will measure $21 / 2^{\prime \prime} \times 101 / 2^{\prime \prime}$. Make 2 .

12. Sew the units made in step 11 to the top and bottom of the unit made in step 10 to complete the flower top. Press the seams away from the center. The flower top will measure $101 / 2^{\prime \prime} \times 101 / 2^{\prime \prime}$.

The flower top will measure $101 / 2 \times 101 / 2$.

## Create the flower stem

1. Draw a diagonal line across the back of two background (E) squares. Place (E) right sides together on opposite corners of a print (J) square. Orient the diagonals as illustrated. Sew on the marked lines. Press away from the center. Make sure all raw edges align. Trim out the bottom two layers of each corner leaving a 1/4" seam allowance. The leaf unit will measure $5^{\prime \prime} \times 5$ ". Repeat to make 2 leaf units.

Make 2 leaf units.
2. Sew a background ( $\mathbf{F}$ ) rectangle to the top and bottom of one of the leaf units to make a left leaf unit. Press seams toward (F). The left leaf unit will measure $5^{\prime \prime} \times 101 / 2^{\prime \prime}$.

Left Leaf Unit
3. Rotate the remaining leaf unit as illustrated and sew a background ( $F$ ) rectangle to the top and bottom to create a right leaf unit. Press toward (F). The right leaf unit will measure $5^{\prime \prime} \times 101 / 2^{\prime \prime}$.
4. Sew together the left leaf unit, the right leaf unit and a print (K) rectangle. Press toward (K). The completed flower stem will measure $101 / 2^{\prime \prime} \times 101 / 2$.
5. Sew together the flower top and the flower stem to complete the Goldenrod block. Press toward the stem. The completed block will measure $101 / 2 \times 201 / 2$.

Right Leaf Unit

Flower Stem Unit

6. Make a total of 2 Goldenrod blocks.
:"The Sopring Brook Blossoms Block of the Month in brought to you by Corey Yoder of Coriander Quilts.
