

Block A

## Beautiful Day Mystery BOM

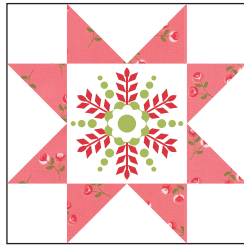

### Block 1: Starry-Eyed

Each month, you will be constructing 4 blocks using the same pattern. The blocks will be 16 1/2" x 16 1/2" unfinished. The fabric charts show you the exact fabrics and panel center I chose for my blocks.

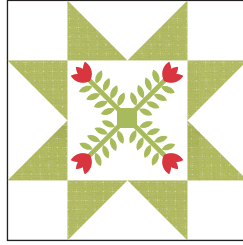

Block tutorial videos are available for each block on my YouTube channel: Coriander Quilts.

# block assembly

RST=right sides together

use a 1/4" seam allowance

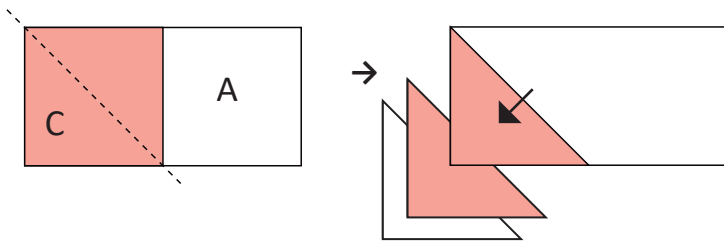

read through all instructions before beginning

Gather the pieces needed to complete Block A.

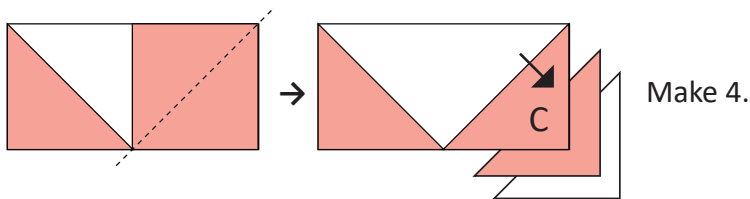

1. Draw a diagonal line across the back of one print (C) square. Place the (C) square RST on the corner of a background (A) rectangle.

Orient the diagonal as illustrated. Sew on the marked line. Press away from the center.

Make sure all raw edges align. Trim out the bottom two layers leaving a 1/4" seam allowance.

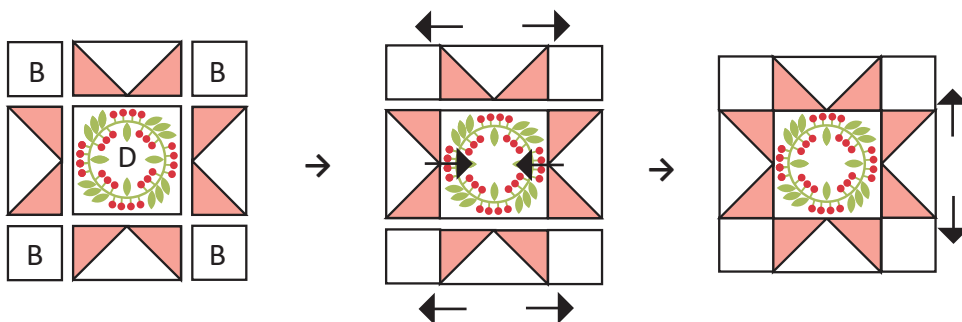

2. Repeat step 1 on the opposite corner as illustrated. The completed flying geese unit will measure 4 1/2" x 8 1/2". Repeat to make 4 flying geese units.

3. Sew together the 4 Flying Geese units, 1 panel (D) square, and 4 background (B) squares as illustrated below.

Press as illustrated.

The block will measure 16 1/2" x 16 1/2".

4. Make a total of 4 Starry-Eyed blocks.
