Block Construction

RST=right sides together

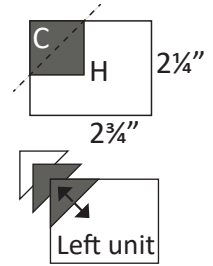

use a 1/4" seam allowance

read through all instructions before beginning

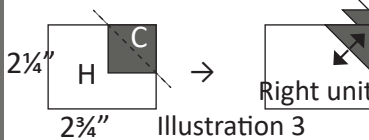

1. Draw a diagonal line across the back of one background (**G**) square. Place (**G**) RST with a print (**B**) square. Sew 1/4" away from each side of the drawn line. Cut apart on the drawn line to make 2 half square triangles (HST's). Press seams toward the print. Trim each HST to 2 1/4" x 2 1/4" square. Repeat to make a total of 4 HST's. (Illustration 1)

2. Draw a diagonal line across the back of a print (**C**) square. Place (**C**) RST, on the top/left corner of a background (**H**) rectangle. Orient the diagonal as illustrated. Sew on the marked line. Press away from the center. Make sure all raw edges align. Trim away the bottom two layers leaving a 1/4" seam allowance. The left unit will measure 2 1/4" x 2 3/4". Repeat to make 4 left units units. (Illustration 2)

3. Follow the instructions in step 2 but place the (**C**) square on the top/right corner of (**H**) to create a right unit. Repeat to make 4 right units. (Illustration 3)

4. Sew together the left and right units to make Unit 1. Press seams to one side. Unit 1 will measure 2 1/4" x 5". Make 4. (Illustration 4)
