## Beautiful Day Mystery BOM

Block 3: Fun Dash
Each month, you will be constructing 4 blocks using the same pattern. The blocks will be $16 \frac{1}{1 / 2 \prime} \times 16 \frac{1}{2 \prime \prime}$ unfinished. The fabric charts show you the exact fabrics and panel center I chose for my blocks.

Block tutorial videos are available for each block on my YouTube channel: Coriander Quilts.

Block A

|  | 2 squares, 5" x 5" <br> 4 rectangles, $21 / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$ | $\begin{aligned} & \text { A } \\ & \text { B } \end{aligned}$ |

|  | 1 square, $81 / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$ | E |

Block B

## block assembly

RST=right sides together
use a $1 / 4$ " seam allowance
read through all instructions before beginning
Gather the pieces needed to complete Block A.

1. Draw a diagonal line across the back of a background (A) square. Place the (A) square RST with a print (D) square. Sew $1 / 4$ " away from each side of the marked line.

Cut the units apart on the drawn line. Press toward the print fabric. You will have two half square triangles.
Trim each half square triangle to $41 / 2^{\prime \prime} \times 41 / 2^{\prime \prime}$ square. Repeat to make 4 half square triangles.

2. Sew together a background (B) rectangle and a print (C) rectangle. Press toward (C). This unit will measure $41 / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$.

Repeat to make $4 \mathrm{~B} / \mathrm{C}$ units.

Make 4.
3. Sew together the 4 half square triangles, the $4 B / C$ units, and 1 panel ( $\mathbf{E}$ ) square. Press as illustrated.

The block will measure $161 / 2^{\prime \prime} \times 161 / 2^{\prime \prime}$.

4. Make a total of 4 Fun Dash blocks.
