

Runner finishing information

Cut the sashing pieces and make top/bottom borders as indicated in the graphic for your desired runner size.

3 Block Setting (20" x 56")

4 Block Setting (20" x 74")

5 Block Setting (20" x 92")

In each setting, sew together the blocks and sashing strips first. Press away from the blocks. Make 2 border strips in the indicated size and sew to the top/bottom of the runner. Press toward the borders.

3 block setting 5 binding strips: 2 1/2" x wof	2 yards backing fabric *
4 block setting 6 binding strips: 2 1/2" x wof	2 1/3 yards backing fabric *
5 block setting 6 binding strips: 2 1/2" x wof	3 yards backing fabric *

* includes overage needed to send runner to be longarmed

Baste the quilt top, batting,

(Batting measurements are: 3 block setting = 28" x 64", 4 block setting = 28" x 82", 5 block setting = 28" x 100") and backing fabric together using your preferred method.

Quilt as desired and bind using the 2 1/2" prepared binding strips.
