

## Sunny Patches BOM

### HST Jelly Roll Block

Construct a total of 29 HST Jelly Roll Blocks

Block tutorial videos are available each month on Corey's YouTube channel: Coriander Quilts.

### Cutting Instructions

 29160JR	90 rectangles, 2 ½" x 13" <span style="float: right;">A</span>
 29164-11	5 strips, 12 ½" x wof; subcut 15 squares, 12 ½" x 12 ½" <span style="float: right;">B</span>

### Tip

Cut the background fabric for the jelly roll blocks before cutting the monthly blocks.

*The Sunny Patches block of the month is brought to you by Corey Yoder of Coriander Quilts.*

## block construction

*RST=right sides together*

*use a ¼" seam allowance*

*read through all instructions before beginning*

1. Sew together 6 print **(A)** rectangles to create a strip unit. Press seams in one direction. Trim the strip unit to 12 ½" x 12 ½". Make a total of 15 strip units.

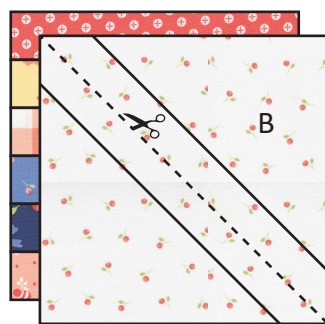

2. Mark a diagonal line across the back of a background **(B)** square. Place the **(B)** square RST with the strip unit.

***Make sure the marked diagonal line is running from the top left to the bottom right.***

***Make sure that the seams on the strip unit are running horizontally.***

Sew ¼" away from each side of the marked line. Cut the unit apart on the drawn line. Press the seam toward **(B)**. You will have two half square triangles. Repeat to make a total of (30) half square triangles. You will use 29 of them in the quilt.

***Make sure these seams are running horizontally not vertically.***

***The marked diagonal needs to run from the top left to the bottom right.***

[corianderquilts.com](https://corianderquilts.com)

3. Trim the (29) HST Jelly Roll blocks to 12" x 12".

*Note: This measurement is correct. It is not the standard 12 ½" x 12 ½" measurement we often see.*
