

Scrappy Tulip Quilt Block 12" Finished Block

Fabrics needed to complete 1 block
(4) $3^{\prime \prime}$ green squares
(4) $21 / 2 /{ }^{\prime \prime}$ green squares
(3) $3^{\prime \prime}$ yellow squares
(10) $21 / 2{ }^{\prime \prime}$ yellow squares
(7) $3^{\prime \prime}$ background squares
(8) $21 / 2$ " background squares

Designed by Corey Yoder of Coriander Quilts www.corianderquilts.com

## Piecing Instructions

Press as illustrated
RST = Right Sides Together
Use a $1 / 4$ " seam allowance throughout

1. Mark a diagonal line across the back of a $3^{\prime \prime}$ background square. Place the background square RST with a $3^{\prime \prime}$ green square. Sew $1 / 4$ " away from each side of the marked line. Cut the unit apart on the drawn line.
Press the seams open.
You will have two half square triangles.

Trim each half square triangle to $21 / 2^{\prime \prime} \times 2 \frac{1}{2}$ ". Repeat to make 8 green/background half square triangles (HSTs).

2. Repeat step 1 using $3^{\prime \prime}$ background squares and $3^{\prime \prime}$ yellow squares to make a total of 6 yellow/background HSTs.

3. Lay out all of the HSTs along with all of the $21 / 2^{\prime \prime}$ squares as shown. Sew the pieces together in horizontal rows, pressing adjacent seams in opposite directions. Sew the rows together pressing the seams in one direction to complete the Scrappy Tulip Block. It will measure $12 \frac{1}{2 \prime \prime} \times 121 / 2^{\prime \prime}$.

Tip: If you are making multiple blocks to use in one project, alternate the direction you press the final seams in this last step so that half of the blocks are pressed up and half are pressed down.
