Piecing Instructions

Press as illustrated

RST = Right Sides Together

Use a 1/4" seam allowance throughout

1. Mark a diagonal line across the back of the 3 1/4" white squares. Place the white square RST with a 3 1/4" navy square. Sew 1/4" away from each side of the marked line. Cut the unit apart on the drawn line. Press the seams open.

You will have two half square triangles (HSTs).

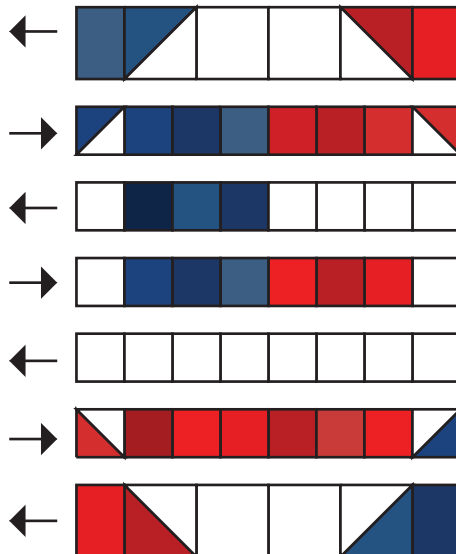

Trim each half square triangle to 2 3/4" square.

2. Repeat step 1 to create 2 red/white HSTs.

3. Using the same method as used in steps 1 & 2, substitute 2 1/2" white/navy/red squares to create a small pair of navy/white HSTs and a small pair of red/white HSTs. Trim these units to 2" square.

4. Lay out all of the HSTs along with all of the 2" squares, and 2" x 2 3/4" rectangles as shown. Sew the pieces together in horizontal rows, pressing adjacent rows in opposite directions. Sew the rows together pressing the seams in one direction to complete the Scrappy Flag Block. It will measure 12 1/2" x 12 1/2".

Tip: If you are making multiple blocks to use in one project, press all seams open.
