Autograph Star

by Barbara Groves of Me and My Sister Designs

I'm absolutely terrible at making labels for my quilts! About the best I ever do is to write my name on the back side along the binding (and that barely happens). So starting this adventure with a block that can actually be used to label my quilt was the best idea I could come up with! My quilt label-making is out of the way and won't be put off until after quilting — or not done at all.

Piecing Instructions

Step 1

On the wrong side of each B square, draw a line from one corner to the opposing corner as shown.

Place B and C squares right sides together. Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line. Cut the square apart on the line to yield 2 HSTs, and press the seams to the darker triangles (C).

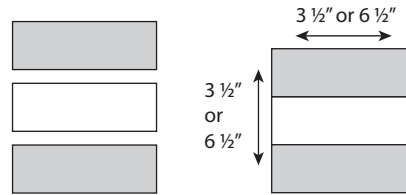

Repeat to make 8 B/C HSTs. Trim HSTs to 2" (6" block) or 3 $\frac{1}{2}$ " (12" block).

Step 2

Lay out D and E rectangles as shown.

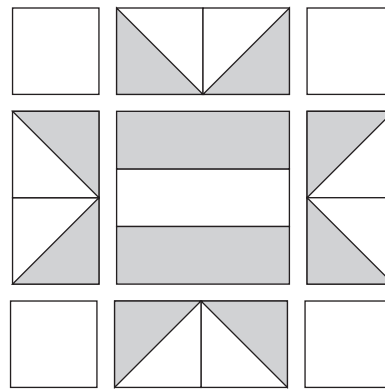

Join to make the center unit measuring 3 $\frac{1}{2}$ " (6" block) or 6 $\frac{1}{2}$ " (12" block).

Step 3

Lay out A squares, B/C HSTs, and center unit as shown.

Join units to make the full block. Trim to 6 $\frac{1}{2}$ " or 12 $\frac{1}{2}$ ".

Step 4

Bonus option: Embroider a message on the E rectangle and use this block as a label for your finished project!
