

Not Quite a Sawtooth Star
12" Finished Block

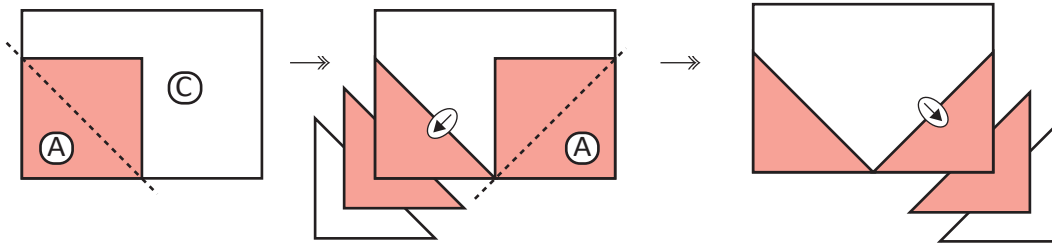

Fabrics needed to complete 1 block

- (8) pink squares, 3" x 3" **(A)**
- (1) aqua square, 5 1/2" x 5 1/2" **(B)**
- (4) white rectangles, 4" x 5 1/2" **(C)**
- (4) white squares, 4" x 4" **(D)**

Pattern Provided by Corey Yoder of Coriander Quilts
www.corianderquilts.com

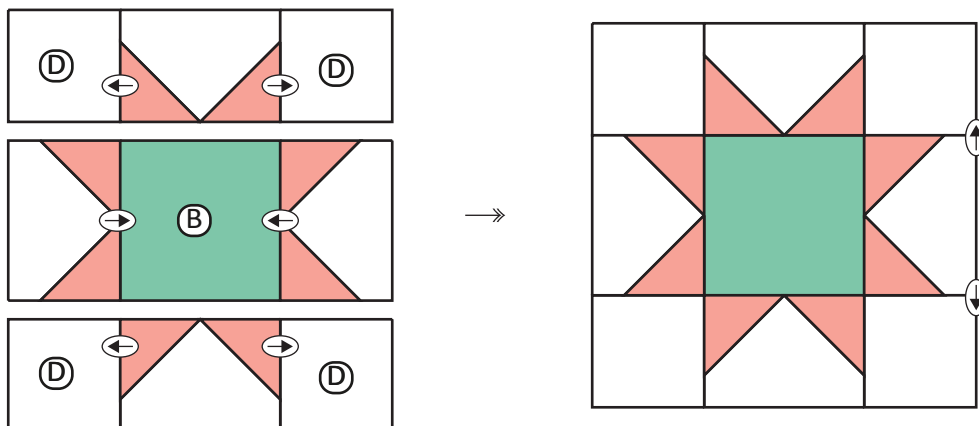

1. Draw a diagonal line across the back of 2 pink **(A)** squares. Place a marked **(A)** square right sides together on one corner of a white **(C)** rectangle. Sew on the marked line. Press the top square so it forms a triangle and all raw edges of the block are aligned. Trim out the bottom two layers of fabric leaving a 1/4" seam allowance. Leave the top layer intact.

2. Place a marked **(A)** square right sides together on the opposite corner of the **(C)** rectangle as shown. Sew and trim as in step 1 to create an almost flying geese unit measuring 4" x 5 1/2".

3. Repeat steps 1 & 2 to create 4 almost flying geese units.

4. Sew together the almost flying geese units along with the **(B)** center square, and the 4 **(D)** corner squares to create the Not Quite a Sawtooth Star block. The completed block will measure 12 1/2" x 12 1/2".
